To Judge Hoppe, and Moon  
I Rodney Hubbard Sr. Did not agree  
with the terms of release in my  
Case. I think this was very bias  
and unethical. To be forced to  
accept a settlement. This  
Case needs to get back on the  
docket for Jury trial. Furthermore  
I am very displeased with the  
unprofessional treatment that  
I have seen from this Court.  
To be treated as if I don't matter.  
I do matter and I will not be  
~~forced to accept the defendant's first offer~~  
accept the defendant's first offer  
and terms. I am requesting a  
Jury Trial a fair and unbiased  
Trial. This kind of treatment from  
this Court has caused me more pain!
